

MANAGEMENT PLAN FOR COMMUNITY LAND

(Local Park – Category 7 Reserve Hierarchy)

Plan Number 7.1/2004

Refer Attachment – Schedule 1
(Listing of Properties)

DESCRIPTION

Identity of land subject to this plan

Refer attachment – Schedule 2

TENANCIES

Identity of tenants subject to this land

Arura Reserve, Davoren Park

Northern Communities of Hope - agreement to occupy and use hall and surrounds.

Mildera Reserve, Craigmore

Craigmore Shopping Centre – agreement to occupy and maintain car park.

Non commercial details of the agreements may be obtained from Council's Contracts section.

PURPOSE

Council retains this land for the following purposes

Council is required by Section 7 of the Local Government Act 1999 to “provide services and facilities that benefit its area, its ratepayers and residents, and visitors to its area, including amongst other things recreational facilities”.

The land is retained by Council to provide passive and active recreation facilities for the community and other visitors.

Council may, grant a lease or licence of the whole or any part of the land during the life of this management plan for recreational activities, communication and service authorities' (eg Telstra, SA Water etc) requirements.

The land has been classified as a “*Local Park - Category 7*” in Council's Reserve Hierarchy.

OBJECTIVES

These are Council's objectives for managing the land

Council seeks to ensure that all of its assets are utilised to their maximum potential. In particular the land serves to meet Council's desire that residents are able to partake in a range of activities to achieve a balanced life incorporating recreation opportunities. These objectives are contained in Council's "Playford Plan 2002 – 2012".

MANAGEMENT PROPOSALS

These are Council's proposals for managing the land

The land comprises playgrounds, irrigated areas, dry land areas and reserve furniture/infrastructure and the following will be undertaken:-

Car Parks

Car parks are sealed, kerbed, line marked and adjacent areas landscaped. Council will manage the pavement by minor patching potholes, crack sealing, spray sealing or reconstruction.

Shelters

Shelters are regularly inspected by Council staff to check fittings and fixtures are in a safe and functional condition. Council processes defects reported by residents through Council Customer Request System for follow up and repairs.

Grassed Areas

The grassed areas are currently equipped to satisfy the need of regular users. As required, controllers and sprinklers are replaced or repaired to maintain a service standard consistent with its existing use. The sites are regularly mowed and watering occurs at a sustainable level that will be reviewed constantly in line with State Government water restriction policies.

Playgrounds

Play equipment is regularly inspected by Council staff to check fittings and fixtures are in a safe condition in accordance with Australian and New Zealand Standards AS/NZS 4486.1:1997. The soft fall areas are inspected and cleaned regularly, raked and reinstated as required by Council.

Footpaths

Footpaths within these reserves are formed of concrete, paving or dolomite. Council processes defects reported by residents through Council Request System for follow up.

Creeks/Watercourses

Creeks/watercourses are inspected regularly by Council staff for the management of noxious weeds, flammable undergrowth control, landscaping proposals and erosion control.

Dry Land Areas

Council will manage the dry land areas comprising trees/shrubs and grassed areas by reducing potential fire hazards and undertaking appropriate weed control measures.

Reserve Furniture

Park benches and litterbins are common features within these reserves. This equipment is checked on a regular basis to establish that the fixtures and fittings are sound and suit their use. Plumbing, painting and carpentry improvements will be carried out as required to ensure the functionality of these fixtures.

Council recognises that an attractive facility will encourage increased patronage. Accordingly Council implements a regular maintenance program for the land and when resources permit plan to upgrade and further develop the program.

Council is required to upkeep the land in a reasonable fashion bearing in mind the requirement on Council to attend to the management of its other assets.

Proposals affecting the management of the land

Arura Reserve, Davoren Park

The reserve has been identified for potential development as part of the Playford North Regeneration Project.

Jessie Taylor Reserve, Smithfield Plains

The reserve land is owned by the Land Management Corporation and is maintained by Council as a local park. The reserve has been identified for potential development as part of the Playford North Regeneration Project.

Other Reserves

Subject to the above, there are no immediate plans to further develop the land. However, as the land is retained by Council to provide passive and recreation activities for the community and other visitors, Council may develop, modify or adapt the land by providing playgrounds, shelters, ovals, clubrooms, wetlands and any other form of recreational or community facility.

COUNCIL BY- LAWS AND POLICIES

The following Council by-laws and policies also effect how Council will manage this land

- City of Playford By-Law No 2 - Moveable Signs
- City of Playford By-Law No 3 - Local Government Land
- City of Playford By-Law No 4 - Dogs

The By-Laws may be viewed at the Customer Service Centres located at:

- Playford Library, Munno Para Shopping City Shop 51, 600 Main North Road, Smithfield
- 10 Playford Boulevard, Elizabeth.

Council's endorsed Management Strategy for Parks and Reserves establishes policies, procedures and standards that will guide the future development, management and maintenance of parks and reserves in the City.

GOVERNMENT POLICIES AND PLANS

The following State Government policies and plans concerning conservation and development relate to this land

The Development Plan governs what activities may occur on the land and how it may be developed during the life of the Plan.

Refer to City of Playford Development Plan for applicable zoning.

PERFORMANCE APPRAISALCouncil will measure how it has managed the land in the following ways

Council undertakes a regular community feedback survey that includes a request that residents comment on their views and experiences in using community land. Results of the survey are reported to Council.

In addition Council invites people to comment to Council via its website, by post, or facsimile, in person at the Council offices and by telephone.

Council will record daily through its Customer Request System (CRS) all complaints and compliments. Results from the CRS are reported regularly to Council.

Council has adopted a performance management system to record successful achievement of service delivery. Regular assessment and reporting of compliance with Council's asset maintenance program is integral to this process.

REVIEW AND AMENDMENT OF PLAN

The plan will be reviewed within 5 years of its adoption and amended as soon as practicable before there is a substantial change to any element.

Adopted by Council 27/7/2004.
Amended by Council 24/10/2006.
